

Official Diary

Friday, 30 January 1953

25X1X7 1. Called the attention of Admiral Espe, DNI, to a Navy cable
25X1X7 referring to a [REDACTED] paper. I explained that since we had only
one copy of this paper it was being forwarded to [REDACTED]
[REDACTED] from whom Admiral Espe could obtain it.

2. Arranged with [REDACTED] to set up an evening courier
service covering senior officials in Administration Building.

25X1A9a

25X1C10b 3. Lunched with [REDACTED] and raised the question of certain
[REDACTED] relating to the Middle East; raised a suggestion respect-
ing a possible PW action relating to Iran; and discussed procedure to be
followed respecting an [REDACTED] operation. 25X1C10b

4. At the morning meeting raised a question as to the effect of
the appointment of General Smith as Under Secretary of State upon the
security of senior American diplomatic personnel. The Moscow radio had
already begun to express the view that this appointment was motivated by
the desire to infiltrate experienced espionage agents into diplomatic
posts and there was a possibility that action might be taken against
diplomatic personnel. I was having a roundup made by FBIS of all Moscow
comments on this point.

5. At the morning meeting suggested that we take some action
respecting the termination of the Caspian fisheries by Iran.

25X1A9a

25X1A9a 6. Was informed by [REDACTED] that so far as he had been
able to learn, [REDACTED] who was recently captured in China, did
not have special clearance.

7. Discussed with Mr. Dulles the possibility of a deception
operation relating to AE matters. I recommended against such an opera-
tion at this time.

25X1A9a

8. At the request of Mr. Dulles, had O/SI approve [REDACTED]
proposed statement on Russian possession of the atomic bomb.

25X1A9a

9. At the request of Mr. Dulles arranged to have [REDACTED] revise
the clipping service for Administration Building.

10. Briefed General Cabell on the problems of the DD/I office.
